

New Member Information

(Membership year ending 31st March 2018)

Elmbridge Road Runners is a friendly local running club catering for runners of all abilities. We have around 100 members of mixed ability, both men and women. We meet on the 1st floor are based at Elmbridge Canoe Club, Walton Lane, Weybridge and are affiliated to England Athletics.

The club produces a regular running diary that can be found on our website www.elmbridgeroadrunners.co.uk. We share updates with members using emails and on our [Facebook](#) page.

Regular events

Our running varies from jogging around local roads, river towpath, running track and trails; these vary between relaxed friendly runs to speed 'interval' sessions.

During the *winter*, both club nights are held at the Canoe Club and training runs are typically between 5 and 9 miles.

During the *summer*, our Thursday evening venue is at Winterdown Road, West End, Esher (next to the Prince of Wales pub), running on trails in the woods. Our Tuesday night sessions can be intervals, a relay session, or a run along the towpath.

Day	What	When	Where
Tuesday	Main club night - inc Green Team	@ 19:00	@ Canoe Club
Wednesday	Speed session	timings & venue vary (please see website)	
Thursday	Secondary club night	@ 19:00	@ Canoe Club (winter) @ West End (summer)
Sunday	Longer run	timings & venue vary (please see website)	

Pace groups

On the Tuesday main club night we use a number of pace groups, varying from 6.5 mins per mile to 11-12 mins per mile. We accommodate the pace of all new members who can run 6 km / 4 miles. An existing member will be responsible for each pacing group. The route and distance run by each pace group will depend on the makeup of the group on the night.

Club kit

Running kit is available through the club, which includes vests, short & long sleeve tops, trousers and hoodies.

For *club vests*, please contact Camilla Hulf (camilla.hulf@gmail.com).

For *all other club kit*, please go to the following website <http://www.iprosports.co.uk/club-zone/elmbridge-running-club/>. You can see sample items (all mediums) on a club night at the Canoe Club. Orders above £25 are delivered free, so if you only want one item then try to order together and avoid a postage charge.

Social events

We hold a number of social events during the year, including inpromptu pub meals, post Elmbridge 10k barbecue, curry evenings and the Christmas dinner (which includes our annual quiz and trophy presentations). We also have a soft spot for tea & cakes after our weekend runs. **We hope to see you at our next event!!**

Social media

Join us on:

**Team events**

- During the *winter* we participate in the Surrey Cross Country League.
- During the *summer* we participate in the Surrey Road League and various local team relay races.

In house competitions

The **Trophy Series** is our main club competition that is designed to encourage members to compete together in local races. To qualify for the competition results you need to turn up in at least 5 of the 10 nominated races (on weekends spread throughout the year) and try to beat all of the other Elmbridge runners. There are separate prizes for the *fastest men and ladies* and also an *age graded trophy* which enables runners of all ages and genders to compete on an even footing.

The **Handicap Series** consists of several races (on Tuesday evenings during May to August) over a 5.5 mile course along the Thames river towpath. Each race has a staggered start, reflecting the participants' previous performances in the series. The winner of the competition is the runner with the best *progressive improvement* over the summer.

Club 10k

We stage our own 10k race in July each year. Our race has a good reputation, is part of the Surrey Road League and is our main fund raising event in the year. We ask members not to run but instead help with the organisation and marshalling of the event. Although we select a handful of our runners to represent us in the Surrey Road League.

Benefits of membership

Alongside joining our organised training sessions, your annual membership payment enables you to:

- use Elmbridge Canoe Club on club nights
- use of the athletics track on Stompond Lane, Walton on Thames at any time other than events / training organised by the local athletics & football clubs
- free entry to various team events, such as local team relays in the summer and the Surrey Cross Country League in the winter
- affiliation with [England Athletics](#), which enables you to enter running events at the discounted affiliated rates (min £2), entry in the Great Run Club Challenge competition and it gives you access to various offers with England Athletics partners (currently including New Balance, InterContinental Hotels Group, Sweatshop and Bupa).
